

Broomfield FISH would love to be able to provide more personal care kits for our participants. These are extremely helpful for adults and kids. Participants in need are able to pick up a kit as they make their way through our self-shop Marketplace.

How You Can Help

Step 1: Decide how many kits you would like to make.

You could donate 1 or 1,000, as we are always in need of these. Right now, we are extremely low and need extra kits for participants in our community.

Step 2: Collect items for your kits.

Please stuff clean, empty plastic bags (can also use Ziplock bags) with any combination of the following:

- Shampoo
- Conditioner
- Body Wash
- Shaving Gel / Razor
- Hand Soap
- Face Wash
- Deodorant
- Loofah
- Mouth Wash

Each completed kit will have a combo of at least 5 of any of the above items included. Items could be purchased or donated.

Step 3: Create the kits.

Place items in a plastic grocery bag or Ziplock bag and tie or seal the bag up. Please check to make sure that the items are clean and unopened.

Step 4: DROP OFF KITS

You can drop off items on Mondays, Tuesdays, Wednesdays, and Fridays from 8 am – 4:30 pm and Thursdays between 8 am – 12 pm using the EAST SIDE donation door. Just be sure to find someone to weigh in your donation and record it at our kiosk.

Email info@broomfieldfish.org with any questions.

Thank you in advance for donating any personal care kits.
